Dear Howard,

My name is Dianne Yundt. I am currently Assistant District Governor of Area 3, Rotary District 6330. I also am currently a member of and on the Board of the Rotary Club of Festival City Stratford. I was President when our Club embarked on the Splash Project in 2013.

On May 5, 2015, John Meinen was presented with a Paul Harris Fellow Award and Certificate by the Rotary Club of Festival City Stratford. This esteemed honour is awarded to an individual who exemplifies the highest standard of humanitarian and educational objectives of the Rotary Foundation, itself ranked one of the highest in the world.

Because of John's leadership, commitment to the community and its youth, his miraculous ability to collect time, talent and materials (including his own and that of Pinnacle Quality Homes) for the Splash Project, the Rotary Club felt John was deserving of this most prestigious award. Not only did John get the job done in a timely and efficient manner, but he built bridges along the way, forging many friendships and establishing an everlasting positive impression in our community.

Our motto in Rotary is "Service Above Self" and John truly exemplifies this motto. I am humbled and honoured to know John. He is well respected in the community of Stratford and surrounding area, well known for his hard work and fair work ethics.

Congratulations to John for his nomination for the Ernest Assaly Award. He is very deserving recipient. Please contact me if you require anything further.

With kind regards,

Dianne Yundt
